

EXECUTIVE MBA

OVERVIEW

In our Executive MBA program, you will learn how to apply decisionmaking tools to structure and analyze complex business problems. You will be challenged to explore new ideas and ways of thinking. You will improve your personal and professional leadership skills. Our EMBA program will prepare you to succeed in the complexity and uncertainty of an interdependent global economy. As you go through the MBA program, you will gain new skills, new ways of approaching complex problems and selfconfidence.

STRATEGIC COLLABORATION

The NUGSB Executive MBA is designed and delivered in strategic collaboration with Duke University's Fuqua School of Business. The Fuqua School of Business is an internationally recognized business school with its faculty ranked #1 and its Daytime MBA program ranked #1 in the 2014 Business Week ranking of top business schools.

FORMAT

- Weekend-based Program
- 20-month program

WHY THE NUGSB EMBA

Students of the EMBA program benefit through:

- obtaining an MBA while working full time;
- enhancing professional network regionally and internationally;
- accelerated career trajectory;
- engaging with students from a broad range of academic and applied back-grounds;
- strengthening core business skills, and learning from some of the brightest thought leaders in academia: professors who have taught, worked, and re-researched around the globe;
- studying in a state of the art environment with the newest facilities and technologies.

«NU GSB's strategic partnership with the Fuqua School of Business at Duke University, one of the leading business schools globally, ensures unique learning methods and approaches. The EMBA program at NU GSB provides me with an opportunity to acquire world-class knowledge from distinguished staff from around the world, while staying in Kazakhstan, allowing me to continue to work full-time.»

*Almassadam Satkaliyev,
Executive MBA, 2014,
CEO at "Samruk-Energy" JSC*
